The Secretary to the Government

Sir,

In continuation of this Office letter No.1611 dated 7th January 1926 regarding the question of adopting in this Municipality the rules issued by Government in their Order No. 6129-6192/Ml.145-24-52 dated 19th February 1925 for the recruitment of establishment under Local Bodies, I have the honour to state that the rules if adopted will take away practically all disciplinary control over officials from the Municipal Council and might in practice prove unworkable. It is understood that they have not been brought into force even in Town Municipal Councils, for which the rules were particularly intended. In these circumstances the Council resolved at their meeting held on the 30th January 1926 that the adoption of the rules would be inexpedient and undesirable. A copy of Resolution No.215 is enclosed herein for reference.
